legal aspects of the contract.

The board agreed to send a letter to SEMASS asking them to clarify certain specific areas of concern: namely, toxic waste liability and the bonding procedures.

Fleming strongly expressed his dissatisfaction with the liability the town will incur if toxic wastes are sent to the waste-to-energy plant. He noted that if any supplier brings toxic materials, we (all towns under the agreement) are liable, even if we are unaware of the materials involved. Fleming added that a substantial amount of fill will come from private haulers; we have no control over what they dump.

Selectman Frank M. Suzan asked Fleming how do we determine if this company (Energy Answers) is O.K. Fleming replied that this is a "paper corporation", and we can only go by what they have done in the past in other towns.

Selectman James F. Huntoon noted that the board is being pressured to get into this agreement because of financial reasons (in getting a discounted rate by signing early) and because of possible future changes in the sanitary landfill regulations of the state. "However", said Huntoon, "we, as town officials, have to be prudent in our decision." The 27-year contract must be approved at Town Meeting, Huntoon added.

Fleming said each town will have a separate unique contract. He recommended the Selectmen have someone "with financial know-how" look over the contract before they sign.

PLEA TO TELEPHONE SUBSCRIBERS

In a plea to Mattapoisett residents who are telephone subscribers, Selectman Frank Suzan asked that they report any problems with the telephone lines to New England Telephone Company.

Suzan said he spoke with Sandra Williams, manager of public and community relations, as to when Mattapoisett could expect to have its lines up-dated to touch-tone ser-

Ms. William informed Suzan that the telephone company works on a three-year plan and present plans do not include upgrading the Mattapoisett system.

Suzan has protested that the neighboring towns of Marion and Fairhaven have touch-tone phones, and he feels we should be able to get them also.

Suzan further noted that many Mattapoisett residents get a "dead line" when dialing to New Bedford. People can help by informing us when they have a problem - even a transitory problem. He gave the following numbers to call to report a problem: Residents, 1-555-1611; Business, 1-555-1515.

NOTED the recent death of Earl Boardman, a Mattapoisett resident who will be remembered for his many benefits to the town and to its people.

Chairman John N. DeCosta said "Boardman befriended many residents when they were down on their luck". He also helped financially with the police cruiser radios and the town wharves, DeCosta added.

Boardman was a great sportsman and fisherman, and, among his many donations, bought the skeet shoot for the Fin, Fur and Feather Club.

ANNOUNCED that the new manager of the Reservation Golf Club will be Malan S. Parker. The former manager, Harold Pitts, died recently.

RECEIVED a copy of a letter sent to Police Chief James Moran from David S. Hagen, Principal of Old Rochester Regional High School, in which he commended Officer Kent Davis on his investigation of a theft at the high school. Davis not only recovered the stolen property but has undertaken the criminal prosecution of the case.

The board will send a letter to Davis commending him for his actions, and a copy will be placed in his personnel file.

RECEIVED a letter from Dr. Thomas Horan regarding the injury sustained by Donald Linhares in the line of duty as a firefighter.

Dr. Horan stated, in part, "that in view of the nature of the abnormality and type of surgery that is generally necessary for wrist injuries of this type, he could recommend Linhares be evaluated at New England Baptist Hospital."

This letter is in response to Linhares' request for travel reimbursement. Selectmen had requested a letter from the attending physician attesting to the uniqueness of the treatment before allowing reimbursement. The reimbursement will now be allowed.

WERE NOTIFIED that Sonja Peterson will not be seeking re-election to the Board of Health.

Mrs. Peterson noted in her letter that she plans to pursue her doctoral studies in nursing. She extended her thanks to all the Town Hall employees for their assistance during her time in office.

In thanking Sonja for her service, Selectmen commented "she has done a great job, and we hope to see her return when time permits".

Dinner for Shut-Ins

A dinner and afternoon out is being planned for the town shut-ins and others living alone. It will be held at St. Anthony's Church Hall, Mattapoisett, on Sunday, February 12th. The Happy Hour will start at 1:30 p.m. and dinner will be served at 2:30 p.m.

Over 100 people will attend and volunteers representing all organizations in town are busy with last minute details.

If you know anyone you feel should be invited or if you would like to help, please contact Joe Perry (758-4644) as soon as possible.

MASS. HORTICULTURAL SOCIETY FLOWER SHOW

In the December 7th issue of Presto Press we gave you the date and some advance information on the 1984 Spring Flower Show in Boston. We repeat this information: The Flower Show will be held at the Bayside Exposition Center March 10th to 18th with a special offer to Seniors of $4.00 admission, a saving of $2.00 per ticket. We also furnished information about the new Garden Cafe in a separate dining area that overlooks the Bay. Unfortunately we cannot take advantage of the special offer of a group reservation at a special price, because the minimum group has to be 20 or more persons. We suggest some of you try this new Garden Cafe, and if you like it, possibly we can arrange for a big bus trip next year. Meantime, this is our schedule for this year: we will make two Minibus trips this year (as we have before) on Tuesday, March 13th, and Thursday, March 15th,

If you find that you cannot go at the last minute, you are responsible for disposing of your ticket to someone else.

May I add a personal note. Most of you know that our trip planner and coordinator, Harold Roeder, missed a step, fell and injured his good eye on New Year's Eve. He was hospitalized and finally operated on. He has lost the sight of this eye, and probably never will be able to drive a car again. In spite of this grievous affliction he is back on his job of trip planning and his many other endeavors. I do not have to tell you that it takes great fortitude to carry on like this. Let us all give him a big welcoming hand at the next meeting he attends.

The board heard reports from the following committees: Student Support Group, Cheryl Marcosa; Publicity, Sue Sylvester; Parent Support Group, Joan Braden; Law Enforcement, Keith Hiller; Early Prevention through Education, Judy Kilpatrick, read by Bill Reed.

The decision to have a chairperson or representative from each committee attend and report at all board meetings was unanimous.

An ad hoc committee was chosen to research goals and establish by-laws for the Board of Directors. Those members are: Raymond Patch, Lorrie Hoeh, Keith Hiller.

Fund-raising ideas were discussed. Michelle Despres, chairperson, will be sending out various correspondence regarding this important aspect of a non-profit group.

The second Thursday of every month was decided as a meeting date. The next meeting is February 9th at 7:00 p.m. at the ORRHS.

Anyone who feels they want to help in this tri-town effort to wipe out alcohol and drug abuse, don't hesitate to call any member of the board.

Dollars for Scholars

APPLICATIONS NOW AVAILABLE

The 1984 MMR Tri-Town Dollars for Scholars applications are now available in the Guidance Office of any high school serving residents of Marion, Mattapoisett and Rochester. These applications are for seniors planning further education including four-year colleges, technical and trade schools, and business schools. The applications must be returned to the student's Guidance Office by February 15th.

If an eligible area senior is attending a high school outside southeastern Massachusetts, parents may contact Barbara A. Meehan at Old Rochester Regional High School (758-3745).

SPECIAL CONSTRUCTION UPDATE #2

Good news! American will begin constructing the Brandt Island area on Monday, Feb. 13. The area will take 2 to 3 weeks to construct. Once it is built, the electronics will be tested and balanced. Then we will begin marketing and hooking up subscribers. From Brandt Island, we will continue on and cable the remaining four areas of Mattapoisett. Homes that are being passed by cable for the first time are eligible for the free standard installation (150 aerial feet; walls fished at cost). We look forward to having new residents of Mattapoisett on the American Cable Systems service soon.

Sincerely,
Eric B. Schultz

Old Colony Open House

On Wednesday, February 8th, Old Colony Regional Vocational-Technical High School will be having an Open House from 6:00 to 8:00 p.m. This night is for students who are interested in applying for openings in next year's classes.

On this evening students and their parents will be able to tour the school and see the programs available. The application process and acceptance criteria will be explained.

Old Colony offers training leading to career in the "high tech" areas of Electronics, Data Processing, and Drafting, as well as programs in Electricity, Machine Shop, Automotive, Metal Febrication, Carpentry, Cosmetology, Health Services, Culinary Arts, and Offset Printing.

Old Colony has averaged 94% placement over the past four years. Most graduates go immediately into the world of work, although a growing number have been leaving Old Colony to go to two and four year colleges, universities, and technical schools. Many of these students have decided to further their training in Electronics Engineering, Computer Sciences, and Engineering Technology programs.

Old Colony's Cooperative Education Program allows qualified students to work part-time in their chosen fields during the school year. In order to be eligible for

COURSE SELECTIONS

Course selections for the school year 1984-85 began this week at Old Rochester Regional High School. Each student has been given a copy of the Program of Studies. Counselors are visiting each English class starting February 7th to go over course selection procedures with the students. Parents are strongly urged to participate in the process. Please oversee and help your son or daughter with his/her selections; your signature and consent is required. Please bear in mind that choices must be made on a timely basis. Parents having questions or problems are invited to call the Guidance Office.

4-H Club

The Tails & Trails 4-H Club has been very busy during the winter. On January 19th we held a meeting at Sue Reid's house. We went over the horse bowl (horse knowledge) written exams taken in Hanson on January 7th. Many Tails & Trails members placed in the top of the County: in the Senior Division, Sally Craver of Marion, Kim Knight, Leeann Bessette, Gerri Sheets and Monique Bertrand of Mattapoisett; in the Junior Division Sue Reid and Bonnie Lewis of Mattapoisett and Kerri-Lynn Nichols of New Bedford placed in the top group. Amy Blasdale and Bethany Rebello of Mattapoisett scored well on the novice test. The top finalists competed on the Horse Bowl panel in Hanson on February 4th to qualify for the State contest.

Tails & Trails has competed in 3 horse judgings this year. The top placings for Plymouth County include Kim Knight, Leeann Bessette, Gerri Sheets, Monique Bertrand, Ellen Brewster, Sue Reid, Kerri-Lynn Nichols, and Tracey Peters. There will be another Judging on February 26th at the Norfolk Agricultural School.

There will be a window exhibit in Old Hammondtown School display case put together by the Tails & Trails 4-H entitled "Grooming to Win". It is on display from February 5-10; please stop by and see it.

The Plymouth County Horse 4-Her's also have a ski trip planned for February 11th to Pat's Peak in New Hampshire.

Our next meeting will be February 9th at Leeanne Bessette's house. Please contact Carol Knight (758-2659) or Mary Ellen Bernier (758-6672) for more information.

Chess Team

The ORR Chess Team continued its dominance in the Southeastern Massachusetts Conference Chess League with its third consecutive shut-out last week against Bishop Stang by a score of 5-0. The team avenged an opening match "draw" against Bishop Stang beating them at every aspect of the game. Typical of the match was Bill Smirnov's 15-minute win at board number 2 where Bill dominated play from start to finish.

According to Mr. Cameron, the advisor, the members of the team are beginning to peak at just the right time. The playoffs will pit the top two teams in the league in a best two-out-of-three with ORR and New Bedford the most likely opponents. ORR is undefeated in the six weeks of competition with an overall record in games of 21-3-1. Since the opening draw with Stang, ORR has gone: 4-1; 5-0; 5-0; 5-0; 5-0 in league play.

ORR Math Team

The ORR Math Team ranks in the top 25% of the 174 schools nationwide competing in the American Scholastic Mathematics League after three meets this season. Top scorers for meet number 3 were: Carmen Gracia, Laurie Watjen and Jeff Humphrey. There are three contests remaining.

Contradance Series

There will be a New England contradance on Friday, February 17th, at the Mattapoisett Congregational Church Hall. The dance starts at 8 p.m. Music and calling will be provided by Geese in The Bog. All dances are taught; beginners are welcome.

This regular dance is held every third Friday of the month. For additional information call Kerry at 758-9660 evenings.

Square Dancing

"SWEETIEPIE" SQUARE DANCE

The Jolly Stompers will have a "Sweetiepie" square dance at 8 p.m. Saturday, February 11th, at the Rochester Grange Hall, Hartley Road, Rochester. Paul Letourneau will be calling mainstream and plus levels.

Cardinal-Titmouse-Mockingbird Census

If you find yourself eye to eye with a cardinal, a mockingbird or a tufted titmouse over the weekend of February 11th and 12th, the Massachusetts Audubon Society would like to know about it. Birds of these species appearing at backyard feeders in New England will be counted as part of the Society's annual census.

Mockingbirds, cardinals and titmice are usually found in southern climates. Recently cardinals and mockingbirds became year-

round residents of New England. In the past, few titmice entered this region; however, since 1957 the numbers of both cardinals and tufted titmice have increased sharply and the number of mockingbirds has almost doubled over the last several years. The population shift to the northeast by these birds has been explained by the popularity of backyard feeders, the planting of fruit-bearing trees in suburban areas, and the warming trend in the region's climate.

How are these species of birds identified? Male cardinals are bright red and females are a warm orange-brown with a red bill. Tufted titmice are all grey, and both titmice and cardinals have crests. Mockingbirds are grey, robin-sized birds with long tails edged in white. They flash prominent white wing spots when they fly.

If you would like to participate in the bird count, please call Mrs. Dorothy Vaughan at 758-6649 to report your sightings.

Rochester Youth Hockey

In hockey action the weekend of February 4, the Bantam B's, sponsored by Marble Hardware, won perhaps their most exciting game of the season over Hetland (New Bedford) by a score of 2-1. The B's played with no goaltender but instead Chris Taft was in the net without any goalie equipment. Taft's superior goaltending, and an outstanding defensive game, combined to defeat a New Bedford team that would not postpone the game. This unsportsmanlike attitude on the part of New Bedford, along with their extending the game 6 minutes beyond regular time, backfired with the Rochester Bantams winning the game. Scott Hanigan scored the winning goal on a penalty shot. The other goal was scored by Dave Smith, with an assist going to Chris Danse.

No other game scores were available.

In the Donahue Memorial Tournament, held at the Gallo Rink the week of February 1, all Rochester teams entered. The only scores available were the Bantams.

In the first game of the tournament, the Bantam team, comprised of both B and C players, played an outstanding and exciting game against Provincetown, winning

in overtime by a score of 3-2. Larry Westgate and Tim Bronk shared net duty. The game-winning goal was scored by Chris Danse, unassisted. Other goal scorers were Robby Lawrence and Scott Hanigan, with assists going to Mike McAuliffe and Chris Danse.

In the Bantams' second game against Canal, they were defeated by a score of 4-0. Tim Bronk and Larry Westgate shared net duty.

In the third game on Saturday, February 5, the Bantams defeated Braintree 4-3. Goals were scored by Tom Dias with 2, and Dean Frates and Sean Brice with 1 goal each. Assists were registered by Mike McAuliffe, David Smith, and Chris Danse. Bronk and Westgate again shared net duty. Unfortunately, the Bantams were eliminated from the chapionship game with a record of 2 wins and 1 loss.

MIDWINTER MEETING

Dr. Warren F. Schumacher, University of Massachusetts Professor and Columnist, keynoted the Massachusetts State Federation of Women's Clubs' Midwinter meeting on January 31st, at the Radisson-Ferncroft in Danvers. Mrs. F. William Ahearn, President, described the multi-faceted program as a challenge to the mind, fun with TV personalities and joy in the music of the popular David Crohan, the blind pianist of the New Meridian Hotel in Boston.

In "Gaining More Control over My Life", Dr. Schumacher used "simple instruments to measure individual perception and outline practical techniques to improve our sense of significance in a confusing world".

Eileen Prose, veteran entertainer and co-host of WCVB-TV's Emmy Award-winning "Good Day" show on Channel 5, described high points of her TV career, as a featured Big Band vocalist and co-hosting regional telethons as a volunteer spokeswoman for United Cerebral Palsy. WHDH skyway patrol officer Bill Connell of the M.D.C. explained the role he plays issuing traffic

CHILDREN'S WORKSHOP

Two workshops for children are scheduled at the New Bedford Whaling Museum during February vacation.

Children from grades 1 and 2 will learn about whales, listen to whaling adventures, and create a whale decoration to take home. This two-day workshop will be offered on February 21st and 22nd from 9:30 to 11 a.m.

The second workshop, "Museums and Whaling", is planned for children in grades 4 through 6. They will participate in designing an activity book for young people.

This is a three-day workshop, offered on February 22nd, 23rd, and 24th, from 9:30 to 11 a.m.

Each workshop is limited to 10 children. The fee is $5.00. Reservations are required (997-0046).

On display in the Ashley Gallery is the exhibition Painting of Land and Sea, which includes ship portraits by Charles S. Raleigh, whaling and harbor scenes by Clifford W. Ashley; landscapes by William A. Wall, R. Swain Gifford, Clement Nye Swift and Albert Bierstadt. This exhibit runs through February 29th.

LUNCH SERIES SCHEDULED AT WHALING MUSEUM

The Winter Lunch Series at the New Bedford Whaling Museum will be offered on four consecutive Tuesdays: February 14th, 21st, 28th and March 6th. Each program will begin at 12:15 p.m., and will focus on a recent addition to the decorative arts collection. Particular attention will be paid to the way in which these acquisitions illustrate the history of New Bedford.

They are:

February 14 - New Bedford and Liverpool: transfer-printed creamware for the New Bedford market.

February 21 - Lucem Diffundo: lighting devices from the Albert E. Aston and related collections.

February 28 - The Noble Metal: silver for New Bedford families.

March 6 - An Ancient Art Advanced: glass made in New Bedford.

Beverage and dessert will be provided. Please bring a sandwich. Reservations are required (997-0046). The cost is: members, $16.; non-members, $20.; individual programs if space is available.

If you have ever been a patient at Tobey Hospital on one of our National holidays or patriotic ones, you will recognize that each of these groups has made loving tray favors to accompany the wonderful food served there. Many of these organizations have been doing this fine work for many years, which is just another way the Tobey Guild has of making Tobey Hospital such a splendid and respected hospital.

I'd be remiss if I didn't mention the excellent efforts for the hospital which is done from profits from the Gift Shop as well - and the extra attention which those smiling volunteers there in their orange jackets provide. Also, the wonderful nurses, doctors, and all who work at Tobey who deserve our thanks. I know this from personal experience having spent time there as a patient as well as a volunteer. We should all give Tobey our wholehearted support!

Social Dance Classes

One night a week, with some of your friends, learn to dance. Aren't you tired of wondering what to do on the dance floor? Wouldn't you rather have some fun moving in time to the music rather than leaning up against a well just watching? Call 758-2072, Mrs. Kelley, or 758-6950, Mrs. York, and sign up now. Classes will be limited. They are sponsored by the Mattapoisett P.T.C., they begin on March 1st at 6:30 for fifth and sixth graders and 7:30 for seventh and eighth graders. A nominal fee will be charged and Mr. and Mrs. Barrett, licensed dance instructors, will be the teachers. Learn to move those [redacted] and have fun!

[redacted] CLASSES

The Marion Art Center is offering a photography course and dance classes for all ages starting in February.

Ron Wisner will instruct a comprehensive course in advanced techniques in photo-

The Lloyd Center

WALK THROUGH SAND DUNES

The Lloyd Center for Environmental Studies will offer a guided walk through the sand dunes at Barney's Joy in South Dartmouth on Sunday, February 19th, at 1:30 p.m. All interested walkers should meet at the Lloyd Center, 430 Potomska Road, South Dartmouth, to carpool to the site.

The sandy beach at Barney's Joy, like all similar beaches along the Atlantic shoreline, undergoes seasonal changes. During the quieter days of summer when wind and waves are comparatively gentle, the beach profile broadens into a gradually-sloping terrace as sand accumulates. With the coming of winter's harsh storms of strong winds and forceful breakers, this sandy build-up is quickly washed away, giving the beach a steep, eroded profile. On Sunday's walk we will discuss and observe these forces which are constantly changing

This Ivy League college group has been entertaining since 1948 and has traveled extensively along the Atlantic coast for many varied functions including many alumnae gatherings. The personnel of course changes every four years.

Their a Cappella style fits in perfectly with the Barbership practice of singing without accompaniment and they have added some barbership tunes to their repertoire for their local appearance.

For the Harpoon Harmonizers, whose purpose is to preserve and encourage barbershop singing, one of the most gratifying aspects of the "Dartmouth Aires" visit to New Bedford are the conditions leading up to their decision to come here.

The underlining motivator was one of their bass singers and current business manager, Bill Worden. It just happens that Bill is a former Harpoon Harmonizer and Mattapoisett resident. Local residents will remember Bill for his many scholastic achievements when he attended Old Rochester Regional High School before leaving for Dartmouth College in New Hampshire. Harpoon Harmonizers remember Bill for his participation with them at many sing-outs at area nursing homes.

Bill Worden says, "Encouraging barbershop at the college level lives up to the motto of our organization, S.P.E.B.S.Q.S.A.

third summer by Southeastern Massachusetts University in cooperation with the University of Montreal.

During the entire six-week period of continuous study, students will eat three meals a day at a French table and will have a total commitment to speak French both in and out of the classrooms.

Students will spend the first three weeks at SMU (From June 11-19) and the second three weeks (July 2-20) at the University of Montreal in the French-speaking Province of Quebec, Canada. Students will visit French cultural sites, attend French movies, and eat at French restaurants in addition to attending daily French classes. They are requested to stay in the dormitory while at SMU, and they must live in the dorm in Montreal. While in Canada participants will integrate with students at the University of Montreal for all educational and cultural activities. The director of the program, SMU Professor Melvin Yoken, will supervise all activities in Montreal.

"I know of no other summer program offered in this part of the country which places students of French right in the midst of a French-speaking population," said Professor Yoken.

The French Summer Studies Program is open to all who wish to expand their language ability including high school students who have completed two years of high school French. Up to 9 SMU credits may be earned in the program. The students will receive a certificate from the University of Montreal.

The program is offered through the SMU Division of Continuing Studies.

Students should register before May 1. For information on tuition and fees, call Dr. Melvin Yoken at 999-8335 or 999-8332.

Living with Cancer

"LIVING WITH CANCER", an educational and group discussion program for cancer patients, their families and friends, will be presented by the American Cancer Society beginning February 27th. The program is designed to help people understand and cope with the physical and emotional changes which cancer brings.

The meetings will consist of videotapes, lectures, guest speakers with time for small group discussions, and question-and-answer periods.

"LIVING WITH CANCER" consists of five two-hour sessions: February 27, March 5, 12, 19,and 26 from 7 to 9 p.m. at St. Luke's Hospital. Mr. Ron Desnoyers and Ms. Joyce Dutra, employees of St. Luke's Hospital and volunteers for the American Cancer Society, will facilitate the program.

There is no fee but pre-registration is required. For more information please call the American Cancer Society at 996-6262.

Tobey Hospital

ENERGY/COST SAVING PROGRAM AT TOBEY HOSPITAL

In keeping with its ever constant commitment to excellence, Tobey Hospital is successful in providing patients with superior care while mindful of cost efficiency. A program is underway at the hospital that is expected to result in potential savings.

The installation of 260 combination storm windows throughout the hospital in Fall 1983 marked the first step of many toward more cost efficient heating. With a projected fuel oil savings of 15-20% the installation cost of $8500. will be reimbursed in the first year's use. The hospital saved more money when professional installation proved less expensive than

if Tobey Maintenance personnel had undertaken the project. Despite the recent cold snap, the north side of Tobey, which houses Maternity and Pediatrics is less susceptible to energy loss. Projected energy and cost savings are being exceeded already.

The goal to conserve energy and contain cost has been further achieved by a number of other steps taken at Tobey, according to Mr. Bruce Baird, Assistant Administrator, Buildings and Maintenance. The hospital uses only energy saving light bulbs. A 40 watt fluorescent bulb consumes only 35 watts of power. Radiators have been shut off in stairwells and other areas not requiring heat. The 100% cold air return has been replaced by a mixture of warm and cold air in the heating/ventilating units in the Emergency Room and Laboratory.

Still endeavoring to find new ways to cut cost, the hospital, including the Homestead, has undergone a survey by Com Electric in all areas of utility expenses. Their findings are forthcoming.

The cost containment effort is second only to patient care. Efforts will continue at Tobey to save money and energy without affecting the high quality care our patients have come to expect.

Drama/Dance Workshops

Adults will be able to develop their dramatic and dance talents this season at Priscilla Beach Theatre in Plymouth in their two new exciting drama/dance workshops for adults. The Acting Workshop is scheduled on Monday evenings at 7:00-10:30 p.m. beginning February 13th - April 7th at the Theatre's new Studio Theatre. In the workshop adult members will learn and experience the principles of acting applying such elements as speech, creative movement, sense, memory, characterization, and concentration to a specific role in the workshop's musical comedy revue material, George M. Cohan's "45 Minutes from Broadway".

This acting workshop is being offered simultaneously with the Dance For Musical Theatre Workshop scheduled on Tuesday evenings at 7:30-9:00 p.m. beginning February 14th - March 27th at the Theatre's Dance Studio. Dance instructor Beverly Brown, a former Broadway Rockette Star.

Adults of all ages who demonstrate all levels of dance experience and skill are invited to register by calling the Theatre at 224-4888 or writing Priscilla Beach Theatre, P. O. Box 414, Whitehorse Beach, MA. 02381. Every year, more than a quarter million newborns are stricken at birth with physical or mental damage. This high toll means that any family can be affected by birth defects. Prevention of birth defects will come through support of research that probes environmental and genetic causes, through medical services that provide early diagnosis and treatment of a troubled pregnancy that jeopardizes the health of the mother and her unborn baby, through professional and public health education and patient assistance. These are just a few of the programs that are supported by the March of Dimes.

For more information regarding the tournament contact the Southeastern Massachusetts Chapter, March of Dimes, P. O. Box 329, Middleboro, MA. 02346. Upon receipt of the registration fee, tee-off times will be assigned by the March of Dimes office.

Children's Museum

FABULOUS FEBRUARY VACATION FUN WORKSHOPS

Wednesday, February 22nd, offers Shark Dissection at 10:30 a.m. for youngsters 7 and older, Fossil Dig for all ages at 1 p.m., and Riddles, Puzzles and Mazes at 3 p.m. for all ages. The 3 p.m. program requires no registration.

Thursday, February 23rd, begins with Create Your Own Dinosaur for all ages at 10 a.m., no pre-registration required; Dinosaur Paleontology for all ages follows at 1 p.m.; youngsters age 7 and older will enjoy Boxosaurus at 2:30 p.m.

PART-TIME OPPORTUNITIES

Sippican Ocean Systems, Inc. of Marion has a need from time to time for assistance in a variety of employment areas. We are presently compiling a file of local applicants available for part-time, temporary and/or spur-of-the-moment employment. In some cases, at home work is a possibility.

We need people to assist with mailings, clerical/typing/receptionist duties, word processing, operating our switchboard, running errands, driving (both local and Boston routes), general maintenance/groundskeeping, assembly, mechanical inspection, data entry, drafting, computer programming and technical writing.

We are also looking for individuals with skills in photography, graphic illustration, architecture, interior design, and calligraphy.

If you are interested in any of the above mentioned positions or have any other talent you think Sippican would be interested in please respond in writing to: Donna M. O'Connor, Sippican, Seven Barnabas Road, Marion, MA 02738.

Please indicate your specific area of interest, availability and rate of pay desired.

Sippican is an Equal Opportunity/ Affirmative Action Employer.
